## Insurance

No fee for Life Assurance, Critical Illness, Income Protection, Accident Sickness & Unemployment, Home Insurance, and Private Medical Insurance. We will be paid by commission from the company, that has already been included in the premium.

You will receive a quotation which will tell you about any other fees relating to any particular insurance policy.

## Investment

Standard fees – where you wish to take advantage of our full advice process, or our ongoing service options. These are shown by way of implementation and ongoing service fees, and it is likely that no VAT is due on these fees.

# Investment Fees - Standard

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The section below sets out the fees for the initial advice I offer. Once I have a better understanding of your situation, I will go through the fee structure and be able to give you the actual fee amount that will apply to you.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained the fees below will cover a full advice process: understanding your current situation, objectives, attitude to risk, research to identify suitable solutions, documenting our recommendations and implementing the agreed solutions.

Fees for the design, production and implementation of a financial strategy are calculated as follows:

## INITIAL FEES:

### Percentage of amount invested

#### In Respect of Lump Sum Investments and Single Premium Pensions

The fee is calculated according to the size of the transaction, as set out below:

When our work involves investing a lump sum of money, our fees are:

- 3.00% on first £150,000.00
- 2.00% on the next £100,000.00 and
- 1.00% on any balance
  
- Our typical charge for an investment of £20,000.00 would be £600.00, which is 3.00% of sum invested.
- Our typical charge for an investment of £250,000.00 would be £6,500.00, which is 2.60% of sum invested.

As there is a minimum amount of work involved with even relatively small sums to be invested, the percentage is typically higher for smaller investments, such as with an ISA.

Should you invest through regular contributions, our range of fees taken over 12 months are:

- 0.00% of the first £0.00 of monthly contributions
- 0.00% of the next £0.00 of monthly contributions
- and 0.00% over £0.00pm.

Our typical fee is 0.00% of the first year's contributions

For a regular contribution of per month this would equate to £0.00 (0)

For contributions above per month our typical charge is 0.00%

For a regular contribution of per month this would equate to £0.00 (0)

### Minimum Fees & VAT

The fees outlined above are raised when the investment is made and will NOT be subject to VAT

Any variation to this amount will be confirmed in writing to you before proceeding further. This may be for example for larger or more complex loans, or where your personal situation is more complex regarding income sources, taxation, residence, and credit rating.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

## Ongoing Services & Fees

Set out below are the detailed elements for the indicative levels of ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate. Our fees for these services can be seen below:

Financial Planning	A comprehensive service aimed at initial analysis, recommendation and implementation in line with a client's immediate needs. With ongoing review and recommendation, this is a service to adapt to a client's changing needs and circumstances.
--------------------	--

## Wealth Management

Where client's portfolios grow in terms of value, and potentially complexity, these need to be managed and reviewed appropriately. Building on our annual review services, this offering has more frequent reviews and opportunities to ensure clients are kept informed of performance, and plans maintained in line with client's circumstances and objectives. This may well include consultations with other specialist advisers.

At a review, we will cover:

- Assessment of personal circumstances
- Review of your goals & objectives
- Reassessment of your attitude to investment risk/return & market sectors (asset allocation)
- Review of investment performance & holdings
- Valuations & investment commentary
- Where appropriate, recommendations in order to keep your new and/or existing plans in line with your objectives

Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

All service levels include a review, it is simply the style and frequency that alters as shown in the table below:

Details are available on request.

### Examples of Ongoing Fees

If we look after you via our 'Financial Planning' service (as detailed above) & your investments are valued at £250000, our fee is 1.00%. Therefore, the annual payment to us will be £2,500.00.

If we look after you via our 'Wealth Management' service (as detailed above) & your investments are valued at £2000000, our fee is 0.75%. Therefore, the annual payment to us will be £15,000.00.

**The elements that make up your ongoing servicing package are subject to alteration; I will notify you in advance and in writing if any of these aspects change.**

## **Impact Of Fees**

When you make an investment there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund managers charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

# PROTECTION – ONGOING SERVICE & FEES

Set out below are the details for the ongoing service that we deliver to our clients.

You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

1. **Communication** - In order to provide you with a high-quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you
2. **Protection** - It is important to ensure your current protection plans and provisions remain in line with your requirements, which may change over time.

We will make reasonable endeavours to contact you.

### **Client Categorisation Levels For Your Protection**

The FCA has rules which affect the rights you have as a client. In our dealings with you we will be representing you as the client.

By default, we categorise all of our individual clients as 'retail' clients. The range of financial products and investments we recommend are tailored to meet the needs of retail clients. As a retail client, you will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other client categorisations that don't have these rights. These are "professional" clients and "eligible counterparties".

You may have the right to be categorised as a professional client and revoke your retail client status on request. Should you feel you have the skills, knowledge and experience to be a professional client and don't wish to have the same protection afforded to retail clients (as explained above), please let me know and we will complete the forms necessary to re-categorise you.

If you have any questions regarding your categorisation (e.g. if you are a large company), please write to Quilter Financial Planning Ltd Compliance Department, Quilter Financial Planning Limited, Riverside House, The Waterfront, Newcastle upon Tyne, NE15 8NY or using the contact details above.

### **Client Money Peace Of Mind**

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

### **Your Duty of Disclosure**

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

### **Client Risk**

The value of investments can fall as well as rise. You may get back less than you originally invested. The price of investments that we recommend to you may depend on fluctuations in financial markets or other economic factors that are beyond our control. The past performance of an investment or product is not a reliable indicator of future results. You should therefore carefully consider all investment/product decisions.

Any specific warnings relevant to particular investments, investment strategies, or products will be provided to you in your Suitability Advice Report and/or your Demands and Needs Statement collectively (Written Advice).

### **Paying For Advised Services**

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided, which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of any fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Other costs, including taxes, related to transactions may arise that are not paid via us or imposed by us. For further details on how to pay for our services, please read the "Guide to Our Services". There are no additional charges for our services for using a means of distance communication.

### **Implementing Investment Solutions**

As with most investments there is a risk of loss, especially in the short-term (over periods of less than five years). If you need access to your money in the very short-term, then holding it in a risk-free bank account could be the right course of action. We will discuss these options with you, as well as providing a detailed

Suitability Advice Report for you to read in your own time, before we implement our recommendations. This will help ensure you understand the advice you have been given. Of course, if you have any questions, we will be happy to help. You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

When we arrange an investment for you it will typically be made into a collective investment fund. These funds have a range of different investment strategies so we will recommend one that aligns with your attitude to risk and the period of time you wish to invest for.

These funds will typically be bought via an investment platform that we recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our Best Execution Policy. For example, for the majority of collective investments, they will be bought or sold at the next Valuation Point (typically 12.00 Midday) the next business day, after the instruction has been received by the platform.

Once we have agreed on an appropriate solution, we will provide you with full details of the investment fund, platform, and all associated costs.

### **Cancellation / Termination of Authority**

You can cancel these terms of business at any time without penalty. This will not affect any outstanding transactions being carried out on your behalf and you may still have to pay a fee to us – see Investment Advice Refunds below.

The ongoing service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details above. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments we will endeavour to instruct the Provider, Platform or DFM to stop the fee within 5 working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

### **Investment Advice Refunds**

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given, and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

### **Language**

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include Face-to-Face meetings, Post, E-mail and by telephone using the contact details provided above.

### **Location of Advice**

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any location outside the UK.

### **Timing of Written Advice**

Financial Planning: I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation and where applicable before implementing any advice that I have recommended.

Protection Advice: I will send you a Demands and Needs statement setting out the reasons for my recommendation before the policy starts. If I am advising you by telephone, and the policy starts on the same day the Demands and Needs statement will be sent by the end of the next working day.

### **VAT**

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this, we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

The adviser fee made for an ongoing service is also VAT free provided it is in respect of an intermediation service. This means activities such as topping up an investment or utilising available investment tax allowances, such as the ISA allowance. In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

However, where a Discretionary Fund Manager (DFM) forms part of a solution, then VAT may become chargeable.

### **Declaration of Other Interests**

To ensure that client interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflict of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests conflict with yours, you will be contacted, and we will obtain your consent to proceed. Our full conflict of interest policy is available on request and at [www.principal-fs.co.uk](http://www.principal-fs.co.uk).

### **Minor Non-Monetary Benefits**

We are not able to receive or retain any inducements from a product provider. Should we receive any additional fee, commission or monetary or non-monetary benefit as a result of a recommendation made to you, we will return this to the product provider or transfer it to you (as appropriate) and attempt to stop further payments or inducements being received.

### **Our Ownership**

Quilter Financial Planning Solutions Ltd are part of the Quilter Group. The Quilter Group of companies offers a range of pension, protection, and investment solutions through both a UK and International platform. This may give rise to a potential conflict of interest where a company within Quilter Group has a suitable solution for your needs. If such a situation occurs, I will ensure that my recommendation is the best execution of your needs. I will also highlight the potential conflict of interest at the time of making the recommendation.

### **Addressing Financial Crime**

All transactions relating to the services provided by us are covered by The Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017. The FCA also requires that we have appropriate measures in place to prevent the furtherance of financial crime.

Our responsibilities include but are not limited to verifying the identity and address of our clients and any third-party making payments on their behalf. If required, you must supply proof of your identity in accordance of the above Regulations. Identity verification checks may include electronic searches of the electoral roll and the use of credit reference agencies, which will result in a soft 'foot-print' on your credit records.

This footprint is not visible to other financial service providers and does not affect your credit rating in anyway. In accordance with the Data Protection Act 2018 acceptance of these terms and conditions represents your permission for us to access this information.

### **Financial Services Compensation Scheme (FSCS) Current limits**

We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. I.e. it differs for investments, insurance, mortgages, and bank accounts.

Further information about compensation scheme arrangements including the conditions governing compensation and the formalities which must be completed to obtain compensation is available from the FSCS via its website at [www.fscs.org.uk](http://www.fscs.org.uk)
